ASKING THE RIGHT QUESTIONS ABOUT ELECTRONIC VOTING (PAPERBACK)

National Academies Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Many election officials look to electronic voting systems as a means for improving their ability to more effectively conduct and administer elections. At the same time, many information technologists and activists have raised important concerns regarding the security of such systems. Policy makers are caught in the midst of a controversy with both political and technological overtones. The public debate about electronic voting is characterized...
