Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Transcendence of Time and Space with Discontinuities | This book is the out come of the deep study and self experience of being in Being . It has been perceived that the universal and human consciousness has close existence. However, each one of us is different but has the same core consciousness with different manifestation. Various aspects of dormant human science have been analyzed; and experienced that extension of life span, health, happiness, knowledge, wisdom and well-being of a human being is closely linked with the manifestation of consciousness that is achieved after being in unison with infinite consciousness with discontinuities. This leads to perceive the depth of subtle science of transformation;consciousness; discontinuity; mind; silence; happiness ; breath; divine romance; fate; illusion; enlightenment; stresses; life and death; present;dispassion; tendencies; meditation; evolution; emotion;love;devotion;quantum jump; etc. These give rare knowledge for self-evolution, transcendence of time & space with discontinuities and to be with the Being , which is the source of creative knowledge, subtle qualities, virtues and self-realization; and it is an ultimate link to be a whole man and to experience universal oneness . | Format: Paperback | Language/Sprache: english | 308 gr | 220x150x11 mm | 220 pp.
