Dog Ear Publishing, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What do you want out of life? And once you get it, will you be happy that you got what you wanted? A business consultant who has gone through his own struggles shares his methods for helping people embrace their uniqueness, reach their potential and live out their purpose. This life-changing book offers exercises designed to help people gain insight into their personality, decide what is important, set goals and change behaviors. Following the exercises will help people become more purposeful about reaching their potential and living with no regrets. Chip is not teaching you what he most needs to learn. He is sharing with you the very path he walked in mastering the next bit of himself that had to be mastered to free him to find and live and embody his values, and in so doing, move a step closer to his vision-and happiness. This book, you see, is a tangible stepping stone in his quest to help many, many people embrace their uniqueness, reach their potential and live their purpose. - Otis Woodard, Friend and Triad Member Chip McLean, president of Tune Consulting Inc. in the Indianapolis area, has years of experience working with businesses on strategy execution. His company provides coaching and processes for business leaders working toward sustained relevance = strategy + execution + culture. Organizations recognizing the importance of investing strategically in their people, Tune s Courageous Corporate Leadership Program works on developing the individual so that the organization can reach its potential. From struggles in the classroom as a young boy to life as a business owner, husband and father of three, McLean has discovered that what makes people unique - their life story - is...
