The Scope and Content of the District High School (Classic Reprint) (Paperback)

By Gilbert Burnet Morrison

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Scope and Content of the District High School A curious and interesting fact in the growth of school systems may be noted here. It is that tendency to set the newly acquired studies off by themselves. The first illustration of this may be remembered by a visit to the old Latin and English high school of Boston. This building was planned by Mr. John D. Philbrick and marked an important step toward the introduction of science into the high schools. This transition left its mark on the building. The two assembly rooms on the third floor each capable of seating 800 persons would of course serve the purpose of a modern high school by uniting them into a single room capable of seating the whole school, but it was necessary at the time of erecting this building in 1877 to provide separate rooms for the classical and mathematical students, and those taking the English and science branches. These two classes of students were not allowed to assemble together! The relation which in some localities still lingers between Manual Training...
