Unleashing The Power To Write Your Own Life Story is a practical, down-to-earth Handbook, that provides the basic steps for life-story-writing, in an inspiring and motivating context, sure to get-you-writing today. The author shares his focused-writing-technique used in writing his own life story, along with other ideas that leave you with the feeling, Hey, I can do this! The Handbook, Includes a full description of 5 common problems that keep us from getting started at writing our life story, and explains how to break free of these scoundrels that hold us back, once and for all. Includes note pages and worksheets for you to apply the practical ideas presented. Walks you through a process to help you decide just how far you want to go with your life-writing project, ranging from writing only a few pages stored in a loose-leaf binder to writing enough to fill bound book. While the Handbook focuses on life-story-writing, many of the practical ideas and techniques (Unleashing Your Power To Write, Getting Started Right, Goals and Decisions, Focused Writing, and other topics), have universal appeal for any kind of writing.
