Solving your money problems can be the difference between living paycheck to paycheck and living the life you've always wanted to live. Many American individuals and families are hurting right now, simply because there isn't enough money to go around. Our financial responsibilities are increasing while income is staying the same or decreasing. Debt is steadily increasing while savings are decreasing. Credit profiles are deteriorating, making it difficult to conduct transactions and secure financial capital. When you work hard and have little to show for it, when you have to put your dreams on hold because you're not financially free, when you can't give and show up in the world how you want to because your money is funny, there is a strong desire and need to solve your money problems once and for all. Master My Money is an easy guide to solve common money problems related to your money mindset, budget, savings, debt, credit and protection needs. Learn these strategies and solutions once and use them for a lifetime. This book will engage you, work-book style and call on you to write in your personal...
