## THE AMISH RESEARCH GUIDE: CRAFTED FOR THE ENGLISHER WRITER AND NON-WRITER

Diana Fletcher-Dezeeuw, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is written for ALL age groups, from grade school through to adult, and is geared for those interested in writing fiction about the Amish but is of value to nonfiction writers as well as those who have a fascination with and want to learn about this intriguing group. When you use the word Amish, more questions than answers materialize. Do they really believe that forswearing electricity makes a person holier ? This is not easy when the subjects are determined to live off by themselves, effectually caught off from modern-day society. Fiction writers, for example, need to be able to create true-to-life Amish characters living in realistic Amish districts. Solid research becomes crucial, especially for the non-Amish writer who has little to no personal experience with this self-isolated group. The Amish...
