

Deception in America: How We Are Manipulated Big Business, Politicians, the Press Our Indoctrinations (Paperback)

By Kip Koehler

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Too many of us are unaware of the continuous manipulation that emanates from the major institutions in America. Then we go blithely through life with little concern or affront for how much of that information is either false or misleading. While we are an educated people, we are not very critical of those tactics that effect us on a daily basis. Let me point out that virtually all of our information and attitudes are derived from sources outside of one s self. While this may or may not be obvious, it sets the stage for what you will read later about making choices and free will. The intention of this book is to raise people s consciousness regarding the deceptive and deceitful practices that occur regularly in society by discussing a number of their root causes, and present some of the negative manifestations of those behaviors. We can not expect to advance social behavior by allowing these actions to go unacknowledged and not dealt with. Also described are some of the ways in which we voluntarily become victims, whether they...
