

Dangerous Games: Adventures of the Elements (Paperback)

Filesize: 3.84 MB

Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

DANGEROUS GAMES: ADVENTURES OF THE ELEMENTS (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Chad Welch, Cat Studios (illustrator). Language: English . Brand New Book ***** Print on Demand *****. The Battle Continues! This is a struggle that has been waged since the beginning of time. Now it is your turn to defend the world against evil molecules and elements. The third book in the Adventures of the Elements book series forces Catherine and her brothers and sisters to confront their greatest fears. When does a game become a dangerous battle for life? When the forces of the element world collide in a struggle for control, games are no longer safe. An ordinary football scrimmage forces two brothers into a nightmarish flight for survival. A simple pool party leaves three sisters and their friends swimming for their lives. In a desperate attempt to save humanity, the five brothers and sisters join the powers of the Rings of Enlightenment with the forces of the element guardians to destroy the cunning, villainous Ozzie Ozone and Clifton Chlorine. Yet, this monstrous molecule and element prove to be deadly, continuously using the secrets of the chemical realm to strike at the five siblings and element guardians. Injured and confused, the human guardians seek refuge in a hospital only to stumble onto a murder and an evil doctor's lethal scheme. Rapidly, their refuge disintegrates into a hospital of horrors. Only the bravest and most cunning human guardians dare venture into the terrifying evils lurking within Dangerous Games. This is education through entertainment. Knowledge is power.
