BRAND NEW, Working Mothers: The Essential Guide (2nd Revised edition), Denise Tyler, Nobody would say being a working mother is a doddle, whether you choose to do it or not. But there are ways and means to make it easier. Denise Tyler's practical book helps you find a bit more flexibility in your life, feel less guilty about working motherhood, and ensures you know your legal rights. The nitty gritty of finances, flexible working, finding childcare, staying positive, feeling guilty, getting organised and just getting through the day can be daunting and complicated. This book takes you through a series of practical steps helping you to get a straight answer on fundamental questions working mothers ask such as: am I entitled to change my work hours? How can I explain to my family I need their help? Am I entitled to financial help for all this? Why do I feel guilty all the time? Where does all the time go? Would it be easier to work for myself? Whatever your own questions are, or even if you're just starting to plan for working motherhood, this book will help you find the answers.
