We've got the how-to. Brooks uses a tools-based approach that presents the key concepts of finance (or 'tools') early on in the text, followed by an application of those concepts to various finance problems. By introducing key finance concepts with personal and business-related finance examples, this text helps students understand how the tools of finance can help them in any career or business situation. MyFinanceLab New Design is now available for this title! 648 pp. Englisch.
