

Live Your Road Trip Dream: Travel for a Year for the Cost of Staying Home

By Phil White

Rli Press. Paperback. Condition: New. This item is printed on demand. 288 pages. Boomers, Gen-Xers, Seniors and more everyone has a dream of that long trip that they've had in the back of their mind. If so many dream it, why do so few do it? Authors Phil and Carol White believe it is not only fear of the unknown, but more importantly, inertia. It takes a fair amount of thinking and planning to take off for an extended period, says Carol, but the rewards of working through your issues and actually getting out of town to see our country or another place, will be with you forever. Don't wait for some other time; start planning now. The Whites' award-winning, how-to book, *Live Your Road Trip Dream* is now released in its second edition after a very successful three printings of the first edition. Due to the popularity of road tripping, but not just amongst the retired set, the Whites have included expanded coverage of topics of interest to the younger generation. Today's younger generations aren't waiting until retirement to hit the road, says Phil; they want to do it now if they can...

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely read through again in the future. It's been printed in an exceptionally basic way; in fact, it is only after I finished reading this publication that I actually altered me, changed the way in my opinion.

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well-worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
