Ave Maria Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Way of Catechesis offers a new and timely perspective on the vital ministry of catechesis at a pivotal moment in the work of New Evangelisation. Gerard F. Baumbach shows how today s catechists can follow the pedagogy of Jesus and he invites readers to an understanding that includes both the process and the content of handing on the faith and also a way of living in union with Christ the Teacher. Baumbach invites readers to consider how key issues and questions throughout the Church s history shed light on today s questions and concerns. Numerous reflection questions help the reader prayerfully reflect upon and personally integrate the lessons. He emphasises four characteristics of the catechetical process in each historical era-belonging, believing, discerning, and living-to highlight the distinctive characteristics of each period and their relevance to catechesis today.
