Excerpt from Addresses, on the Occasion of the Presentation of the Portrait of George B. Wood, M. D., Professor of the Practice of Medicine and Clinical Medicine, University of Pennsylvania, to the Wistar and Horner Museum, on His Retirement From His Chair: March 15, 1860 It was under the promptings of this feeling, that a meeting was called in the University, on the evening of 29th of Nov. A preamble was read, expressive of the deep regret of the class at the departure of Dr. Wood, of our lasting gratitude to him, and of our desire that, as a parting legacy, he would allow us to have his portrait painted, and placed in the Wistar and Homer Museum. Resolutions were read and adopted, appointing a committee to convey to Dr. Wood the wishes of the class. In a kind and grateful letter, he granted our request; the painting was immediately commenced, and finished some four or five weeks since.
