

Space Patrol - Missions of Daring in the Name of Early Television

By Jean-Noel Bassior

McFarland Publishing. Book Condition: BRAND NEW. BRAND NEW Full-Sized Laminated Softcover - 448pp - 218 photos, appendices, notes, bibliography, index - Before Star Trek, there was Space Patrol. Science fiction television has its roots in this live, action-packed series that captured the imagination of Americans from 1950 to 1955, when space travel was just a dream. This book explores the freewheeling spirit of live TV, where anything could go wrong before millions of viewers and often did. It spotlights (often in personal interviews) the risk-taking Space Patrol cast and crew who laid vital groundwork for television today. Included are episode logs for both television and radio shows as well as a complete guide to Space Patrol memorabilia. A Brand New Quality Book from a Full-Time Bookshop in business since 1992!.
