## KILLING THE WRONG MAN: THE TRUE STORY OF LEE ANN REIDEL (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. One month later on the 17th January 2001, an unbelievable act of violence took place. Alex Algeri was shot in the face and killed outside the Dolphin Fitness Club. Gym members and the local community of Amityville were shocked; it was obviously a cold blooded murder. Like any typical January in New York, the weather was very cold and there was a covering of snow on the ground. It was 7.20 in the evening and already dark. It was Paul Reidel s night off; Alex Algeri was covering the late shift at the gym. During what had so far been a perfectly normal evening, Alex popped out to get a CD from his car for one of the regular aerobics classes. He exited the building through the backdoor. The car park was not well lit and would have been very dark. He went round to the passenger side of the car to collect the CD from the glove compartment. Suddenly, a man jumped out of another vehicle parked nearby. As Algeri turned around, the man shot him several times in the face and neck. But who would want to murder a man with no enemies? It turns out that he was murdered by mistake. The true target was the husband of another woman. This is her story.
