Osho International. Paperback. Book Condition: new. BRAND NEW, Life is a Soap Bubble: 100 Ways to Look at Life, Osho, Osho International Foundation, Mystics don't usually write books; they speak and work directly with people in a transformational way. Life Is a Soap Bubble is among the few written statements available from enlightened masters or mystics. Lao Tzu's statements of the Tao Te Ching came into being only at the end of his life. In the same way, Osho's books are transcriptions of his daily talks. This book is a precious collection of 100 letters written by Osho and mailed to a Yoga Sohan at her meditation camp. Osho promised her that he would send her a letter every day and that she should keep them so they could be published one day. This collection of thoughts provides an essential road map to those who feel that there must be something more to life and are ready to explore other dimensions of being. These short passages are full of diverse, pertinent gems that will touch the heart.
