Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

DISCORDIANPROBLEMS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Fnord University proudly presents the comic book-within-a-novel #DiscordianProblems, a trippy tale about an intrepid, falsely-accused whistle-blower named Noam D. Bloom. This post-911 meta-fiction lures reader into a bizarre matrix of superheroes, psychedelics, quantum physics, paranoia, surveillance, and the Occult. Presented as Bloom's military detailing the surveillance of group of occultists known only as The Discord Magi , #DiscordianProblems documents Bloom's slow decent into madness (or his ascension into enlightened Illumination. I mean, who the hell are we to tell you how to interpret what happens to the poor guy.).
