## PHILOSOPHY OF RELIGION

DOWNLOAD

Bolinda Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Isaac Asimov said that whatever the tortures of hell, I think the boredom of heaven would be even worse. Such quandaries are the bread and butter of philosophy of religion. Questioning why evil exists, whether God could create a stone he couldn't lift, and if the wonder of life suggests a Creator, this fascinating branch of philosophy is concerned with arguments for and against religion, and what form an immortal god (or gods) would take if in existence. Charles Taliaferro provides a clear exploration of the discipline, introducing a wide range of philosophers and covering the topics of morality and religion, evil, the afterlife, prayer, and miracles.
