NATIONAL TRUST, United Kingdom, 2007. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. The revolutionary home of Lord Armstrong, Victorian inventor and landscape genius, was a wonder of its age. Built on a rocky crag high above the Debdon Burn, Cragside is crammed with ingenious gadgets and was the first house in the world lit by hydroelectricity. Even the variety and scale of Cargside s gardens are incredible. Surrounding the house on all sides is one of the largest hand-made rock gardens in Europe. In the Pinetum below, England s tallest Douglas Fir soars above other woodland giants. Across the Valley, the Orchard House still produces many varieties of fresh fruit.
