

## Molloy (Main)

---

By Samuel Beckett

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Molloy (Main), Samuel Beckett, "Molloy" is Samuel Beckett's best-known novel, and his first published work to be written in French, ushering in a period of concentrated creativity in the late 1940s which included the companion novels "Malone Dies" and "The Unnamable". The narrative of Molloy, old and ill, remembering and forgetting, scarcely human, begets a parallel tale of the spinsterish Moran, a private detective sent in search of him, whose own deterioration during the quest joins in with the catalogue of Molloy's woes. "Molloy" brings a world into existence with finicking certainties, at the tip of whoever is holding the pencil, and trades larger uncertainties with the reader. Then I went back into the house and wrote, It is midnight. The rain is beating on the windows. It was not midnight. It was not raining. It is edited by Shane Weller.
