

Don't Ask Me to Clean Up the Basement

By Hume Cronyn

Mosaic Press. Paperback. Book Condition: new. BRAND NEW, Don't Ask Me to Clean Up the Basement, Hume Cronyn, .one of the best books I have read in a long time, an undogmatic manifesto that's anarchistic, funny, and mad. It's so good I'm grateful to it, didn't want it to end. Everything about this book - its energy, fierce comic wisdom, its stuffed and muscled lines - fills me with wonder .the poems are willfully raw and honest, compelled by defiance, joy, anger and a wild white-light hope .I have never read a book that took Whitman further and took me, exhilarated, out of myself and into that traffic jam, the mess of humanity. -- Margaret Sweatman, Books in Canada.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
